## A LITTLE BIT ABOUT US

From food to fashion and community appeal,  
West End has always done things a little differently.

West End is home to a culturally diverse population and the  
Kurilpa Peninsula creates a melting pot of bohemian style  
second to none in our wonderful city.

Lock'n'Load strives to embellish this eclectic culture and create a  
neighbourhood eatery for our locals and visitors alike.

Step through the front doors and into a bustling atmosphere,  
sit in our dining room and remember yesteryear, or traverse to our  
courtyard and get lost in the ambience of our tranquil garden.

We aim to offer you and your friends an occasion to remember.  
Our menus are sourced using fresh seasonal produce and our boutique  
range of drinks will have you fall off your seat!

So relax, unwind, and tantalise your tastebuds by continuing to read  
through our little book.

We hope that you enjoy being here as much as we do.

Welcome to West End and Welcome to Lock'n'Load
